## The Vale Wildlife Hospital 100 Club

We invite you to join the Vale Wildlife 100 Club. This gives you the opportunity to support the charity with a minimum of effort and a very good chance of winning a monthly prize.

Club members pay £24 per year / £12 for 6 months to be entered into a monthly draw for prizes of £50, £25 and £10, with a special draw each December (the number of prizes of each value depends on the number of Club members). The draw will take place on the first Saturday of each month and the winners will be contacted immediately.

About 50% of the 100 Club's income will be paid out as prizes.

Membership payment may be made by cheque yearly or half-yearly or by Bankers Standing Order.

We do appreciate that you must receive many requests for charitable donations. Why not share a membership with family or friends, or better still, buy more than one membership as a syndicate and increase your chances of winning?

For the equivalent of just £2 per month you will be entered into a monthly draw with the chance to win **cash prizes**.

Each month from January until November, 3 lucky winners will be drawn receiving approximately **£50, £25 and £10** respectively (prizes will vary depending on the number of members and may be higher or lower than the stated amounts).

In December there will be a special draw with prizes of **£100, 2 prizes of £50 and 2 prizes of £25**. (prizes will vary depending on the number of members and may be higher or lower than the stated amounts).

All funds not paid out in prizes will go directly to the running costs of the Hospital.
